

Ladies Lunch League Info Sheet

We are so excited that you are interested in joining us for Ladies Lunch League!

This will be A ladies only, 4 week league that will include lunch and pistol shooting. We will be meeting on Wednesdays from 10:45-12:30pm. When you get here, please sign in and get your gear together. We will be shooting from 11-12 with lunch to follow.

Targets will be provided and scored by The Range while you enjoy lunch and the top score of the day will receive a prize.

Dates are listed on the signup sheet at the counter. Fees will be due by 8/4. Date Night League Fees are \$60 for Range members and \$100 for non-members.

Each week will have a theme and our lunch menu will be based off of that. We hope you enjoy the themes we picked out, and if you chose to participate in some way with the days theme, 3 extra points will be awarded to your target for the day. Be creative! The first weeks theme is going to be "Italian"! We will announce the next weeks theme during lunch so you will have plenty of time to prepare!

You will need to bring your guns, ammo, eye and ear protection every week. (guns are available for rental and ammo for sale if needed)

We hope to see you on Wednesday, Aug 5th for our first lunch date! Please don't hesitate to contact us with any questions!
