

Don't Miss This Rare Opportunity to

GO FULL AUTO!

We are now offering a Sub-Gun course using AR Style 9mm Full Auto Rifles. This two hour course includes instruction on the use of automatic rifles, safety, weapon control and management.

After a safety brief, you will learn the differences between a semi auto and a full auto 9mm AR and also explain the behavior of a full auto AR. One on one student to instructor ratio occurs during first course of fire.

The course of fire includes 5 shots semi auto, 3 rds full auto, followed by 10 short bursts and 2 full magazines. You will then start loading full magazines and rotate through shooters.

Friday, March 10th 6-8 pm
